ALTA

PRIVATE DINING & EVENTS

ALTA takes its name from the Alta Navarra peninsula, a rich and geographically diverse region of Northern Spain, ALTA brings the area’s vibrant culinary heritage to London.

The menu is focused on sharing plates and dishes from the grill, offering bold, rustic flavours rooted in tradition but served with a modern touch.

At **ALTA,** we offer a variety of unique spaces to suit every occasion.

Our dining room accommodates groups of 8–14 at one table, with guests invited to dine from our Chef's Selection Menus below.

From weddings to festive parties, press launches, corporate lunches and dinners, company meetings, and canapé receptions, our events team can tailor every detail to suit your requirements.

Every event with us is bespoke.

Nestled in the heart of Soho, our private dining room offers a serene escape.

M A D

MAD Restaurants is the London-based hospitality group founded by Artem Login, creating ambitious dining and entertainment concepts that are individual in character but united by a shared spirit of creativity, quality and energy.

From Japanese-inspired dining at MOI, to the evolving ROOM 86 listening room and the flavours of Northern Spain at ALTA, each concept is designed as a complete experience — bringing together exceptional food, thoughtful spaces, music and a distinctly modern approach to hospitality.
